We're looking for someone to join our team as a

## CIVIL ENGINEER

### Job Description:

As a Civil Engineer at AIIP, you will be a key player in the development and execution of diverse projects within the industrial park. Your role will encompass overseeing construction activities, managing infrastructure projects, and ensuring adherence to quality standards and timelines. Reporting directly to the Director of Engineering, you will contribute significantly to AIIP's growth and development.

### Key Responsibilities:

- Lead civil engineering projects from conception to completion, ensuring quality, cost-effectiveness, and timely delivery.
- Develop detailed engineering plans, blueprints, and specifications, ensuring compliance with regulations and industry standards.
- Supervise construction activities, ensuring contractors adhere to project plans and safety protocols.
- Monitor the quality of materials and workmanship, ensuring all projects meet AIIP's high standards.
- Manage project budgets, control expenses, and optimize resource utilization for efficient project execution.
- Collaborate with cross-functional teams, architects, contractors, and regulatory authorities to streamline project workflows.

### Eligibility Requirements:

- Bachelor's degree in Civil Engineering or a related field. A Master's degree or professional certification is advantageous.
- Three (3) years of proven experience as a Civil Engineer, preferably in industrial or large-scale infrastructure projects.
- Strong knowledge of engineering principles, construction practices, and regulatory guidelines.
- Proficiency in civil engineering software and computer-aided design (CAD) tools.
- Excellent project management and problem-solving skills.
- Exceptional communication and interpersonal abilities.
- Experience in civil engineering within an industrial or commercial property sector is a plus.

## TO APPLY

Send your Resume and Cover letter to:

**[info@aiip.com.ng](mailto:info@aiip.com.ng)**

Please include "Civil Engineer Application - [Your Full Name]" in the email subject line.

The deadline for applications is December 15, 2023.
