We're looking for someone to join our team as a

## IT LEAD

### Job Description:

As an IT Lead at AIIP, you will play a crucial role in managing our information technology systems, infrastructure, and digital solutions. Your responsibility will be to ensure the seamless operation of IT processes, support the park's digital transformation, and safeguard our data and systems.

### Key Responsibilities:

- Develop and implement the park's IT strategy, aligning technology initiatives with business goals.
- Oversee the design, deployment, and maintenance of IT infrastructure, including servers, networks, and cloud services.
- Lead the development and deployment of digital solutions, including IoT, cybersecurity, and data analytics.
- Manage IT support teams to ensure prompt resolution of IT issues and user support.
- Implement and monitor IT security protocols, safeguarding AIIP's data and systems from cyber threats.
- Manage IT budgets, control expenses, and ensure cost-effective IT operations.
- Oversee vendor relationships, contract negotiations, and service-level agreements.

### Eligibility Requirements:

- Bachelor's degree in Information Technology, Computer Science, or a related field.
- Master's degree or professional certification is an advantage.
- At least three (3) years of proven experience as an IT Lead or IT Manager, with a track record of managing complex IT projects and teams.
- Strong knowledge of IT systems, infrastructure, cybersecurity, and digital solutions.
- Excellent problem-solving and decision-making abilities.
- Proficiency in project management and IT governance.
- Experience in IT leadership within an industrial, commercial, or real estate context is a plus.

## TO APPLY

Send your Resume and Cover letter to:

**info@aiip.com.ng**

Please include "IT Lead Application - [Your Full Name]" in the email subject line.

The deadline for applications is December 15, 2023.
