

WE ARE HIRING!

We're looking for someone to join our team as a

SENIOR SECURITY OFFICER

Job Description:

As the Senior Security Officer at AIIP, you will be responsible for overseeing and managing all security operations within the industrial park. You will lead a team of security personnel, implement security protocols, and ensure the safety and well-being of all employees, residents, and visitors. Your role will be integral in safeguarding AIIP's assets, property, and reputation.

Key Responsibilities:

- Lead and manage the security team, providing clear guidance, training, and support to ensure a high level of professionalism and effectiveness.
- Develop and implement security policies, procedures, and protocols to safeguard AIIP's premises, assets, and occupants.
- Maintain control over access points, ensuring that only authorized personnel and visitors enter the premises.
- Plan, coordinate, and oversee emergency response and evacuation procedures, ensuring the safety of all individuals on site.
- Investigate and manage security incidents, breaches, or violations, reporting findings and recommendations to the management team.
- Utilize security technology, such as CCTV systems, to monitor and secure the facility.
- Provide security training and awareness programs for all personnel and oversee the implementation of security education initiatives.

Eligibility Requirements:

- Bachelor's degree in Security Management, Criminal Justice, or related field.
- Professional certifications in security management are highly desirable.
- Proven experience as a Security Officer or in Security Management, preferably in industrial or large-scale commercial environments, with a minimum of 5 years of relevant experience.
- Strong knowledge of security protocols, emergency response, and risk management.
- Proficiency in the use of security technology and systems.
- Knowledge of Nigerian security regulations and standards.
- Strong problem-solving, decision-making, and crisis-management abilities.
- Leadership skills, with experience in managing security teams and overseeing large areas.
- Excellent communication and problem-solving abilities.
- Ability to handle high-stress situations and make quick, informed decisions.
